Pool passes are returned when residents leave the pool. **Your patience and cooperation are appreciated as you enter and leave the pool facility, especially at the beginning of break periods, when it can be very busy.**

ALL DECISIONS BY METROPOLITAN POOL LIFEGUARDS ARE FINAL. Questions or comments regarding Metropolitan Pool lifeguards or pool rules should be directed to the Trustees. Please respect the authority of the lifeguards and follow their directions while you are in the pool area. Your cooperation is appreciated. We have retained this professional firm to manage our daily operations due to the complexities and importance of this facility.

Pool passes are issued to individual family members who reside within the Westwood Farms community only. Names and addresses should be written in ink on each pass. Ages for the categories below are determined as of the time of registration. *Issuance of Adult Passes may require verification of age by the Trustees.*

ADULT PASS: Issued to persons 16 years and older.

TEEN PASS: Issued to persons 12 through 15 years of age.

CHILD PASS: Issued to persons 11 years old and younger;

(Children ages 11 and under MUST be accompanied by an adult)

NO running or horseplay is allowed in the pool or deck area to ensure the safety of everyone at the pool. Behavior or actions which, in the judgment of lifeguards, break pool rules will result in the following disciplinary measures: (except as otherwise noted)

1st Situation - Lifeguard will give a warning to swimmer.

2nd Situation - Individual will be required to sit on deck at lifeguard chair for 15 minutes.

3rd Situation - Individual will be sent home without his/her pass and not allowed to return until a meeting is held with the parent and head lifeguard.

Any use of profanity, vulgar, sexually or racially offensive language - *witnessed by a lifeguard or reported to a lifeguard by an adult* - will result in immediate ejection from the pool for the rest of the day and possible review by the Trustees. Verbal or physical abuse of a lifeguard or reckless endangerment of other swimmers will result in immediate ejection from the pool and prohibited re-entry to the pool area until the matter is reviewed by the Trustees. Lifeguards have been directed by the Trustees to request assistance from the Strongsville Police when any situation might compromise the safety of the lifeguard staff, residents or swimmers.

An **FAMILY GUEST PASS** is issued to each resident family and is valid for thirty (30) uses. This pass is reserved for relatives, grandchildren or friends. Each person accompanied to the pool is considered as one (1) use. As cards are used, holes are punched to mark each use (four guests would be four uses.) Additional guest passes can be purchased for \$10.00. An alternative **FAMILY GUEST PASS WITH TEEN PRIVLEDGES** may be used by adult family members as well as their teenagers.

POOL RULES (continued)

The alternative FAMILY GUEST PASS WITH TEEN PRIVLEDGES is available to residents who consent to the use of this pass by teenage family members at the time of registration. (Trustees reserve the right to revoke this privilege if warranted.) **WESTWOOD FARMS RESIDENTS MUST BE PRESENT AT ALL TIMES WITH INVITED GUESTS.**
